As to get a general idea of what's on the skater's
minds, we've written out this "semi-original" list of
questions. PLEASE answer them, enclose a photo of
yourself, skating or otherwise, and mail it to us.

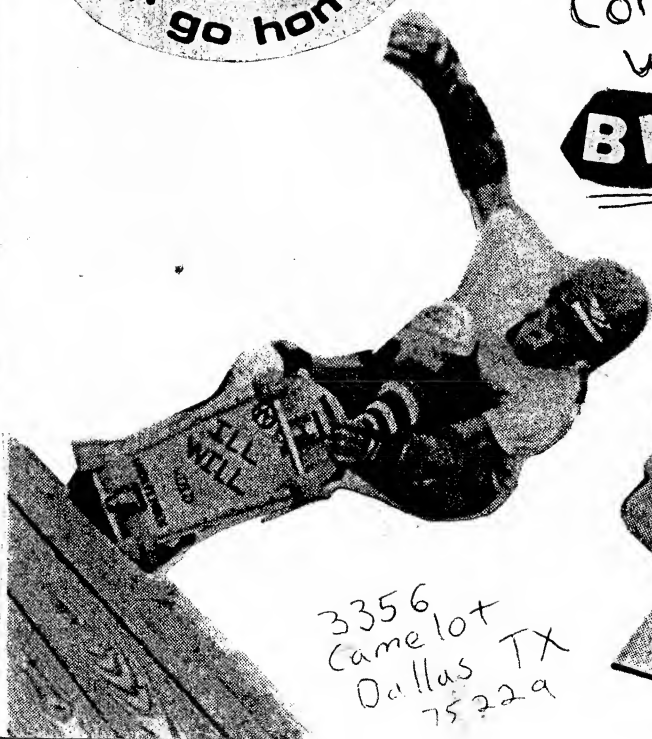

THANK

- #1) What are your views/thoughts of the now completed
M.E.S.S.? Any ideas for the '84 series?
- #2) Who and/or what influences you, and why?
- #3) The above photo of Craig Johnson at the Pheasant

didn't write this question.)
